Hi Vickey!

We are *thrilled* for the opportunity to work with the Vincent Orange Campaign! Attached is our MOU that outlines what all you are hiring us to do. Please sign and date; our preference is for you to scan and email it back to us, but if you don't have a scanner, please let us know and we'll make other arrangements.

I know that Jamie sent you a script; please know that we can work with you via email over the weekend if you have any questions about it. If we can have script approval by noon on Monday, we'll get these calls started! We suggest calling Monday, Tuesday, and Wednesday, and then finish up on Saturday. Saturday's are a good day to clean up a file and catch those people that work.

Again, we are excited to work with you and Vincent on his campaign. Don't ever hesitate to ask questions.

Have a great weekend-
Buffy and Jamie

hello All:

Please find the cost of the Precision phone bank attached--there's some wiggle room, but i think we should go with it as is.
We can have the ID calls begin on Monday (the 14th) afternoon, if we send Precision a copy of the check for the deposit amount.

If you have any questions or need more information, reach me at 202.431.0256.

Peace
Vickey

Hello All-I hope this note finds you well:

VO, several folks in ward 8 say they'd really like to see you in the ward--this includes Jacque Patterson, who says he'll walk with you in his precinct. Your ward 8 coordinators agree that a visit from you will surely help to increase our vote count. As a result, we would like to have you walk MLK Ave. to visit some of the small businesses, then go into Jacque's neighborhood.

We believe, this could/should be done on Saturday, April 23 starting at 10 or 11 (and lasting only two hours or so).

Please advise.

Peace Be With You
Vickey

Vincent:

Are you referring to the Ward 8 Senior Fashion Show on Sunday or is this a different one? Should I get with Vickey or Doug to arrange the schedule related to the events you referenced (Ward/Neighborhood walks and fashion show)? Thanks.

To walk and talk like us could be ideology or as a Democrat should walk and talk. It doesn't have to mean race unless you're trying to pick a fight. Vote for Orange and go get the opponent's free cupcake anyway. The opposition is so scared that they will jump on anything to get in the news.
